MEMORANDUM FOR: Executive Director, NPIC

FROM: Chief, Imagery Analysis Division, CIA

SUBJECT: IAD Manpower Requirements for Option II, JIIRG

REFERENCES: (a) IAD-81/66, 12 August 1966, The Effects of the JIIRG Report on IAD
(b) IAD-83/66, 15 August 1966, The Impact of the JIIRG Report on IAD
(c) IAD-108/66, 26 October 1966, IAD Manpower Requirements for Option II, JIIRG

1. The first table below includes two figures - one for PIs as determined by JIIRG - the other for internal IAD support as determined by IAD (JIIRG gave no figure for support requirements either nationally or departmentally).

2. The figures given (Table 1) will permit IAD to accomplish the "basic reporting" on the national level assigned to IAD by JIIRG. It will not provide for maintaining departmental support to CIA at the level realized today (current backlog of work - The manpower computed by JIIRG will result in a steady decline in IAD's ability to render departmental support to headquarters analysts. 25X1A

3. Table 2 below shows minimum manpower - both PI and non-PI - really needed by IAD to meet JIIRG assignments of national work and still maintain departmental support to headquarters at our present level.
